Green Impact Med: Positive Investments for Positive Impacts at a glance

General objective: To support **ideation/early green entrepreneurs** and **growth stage companies** to better access finance and markets, creating jobs and helping to stimulate the region's green economy.

2 target groups

Ideation/early stage

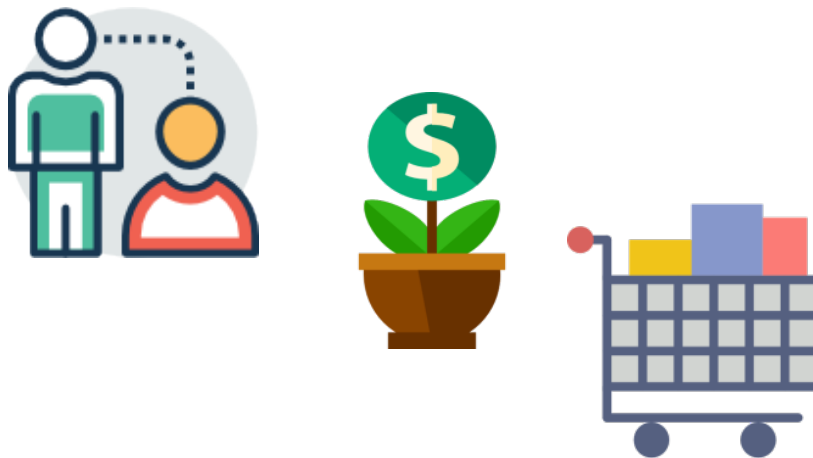

Growth stage ventures

Specific objectives

To **build capacity** in order to secure **investment** and successfully take an innovative product or service to **market**.

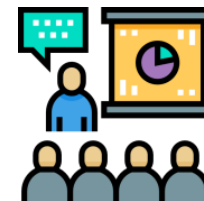

To collaborate with **investors**, **public administrations** and **businesses support organisations** to offer green entrepreneurs increased **investment**, B2B opportunities and better support to protect IPR.

HOW?

- Unique common learning methodologies
- Training of Trainers - Capacity building workshops - Intensive coaching sessions
- Supporting financiers to invest in the region's eco-innovative sectors
- Investors readiness program and investors 'day events
- National and cross-border learning and exchange events
- Cross-border B2B deals - IPR capacity building
- Sub Grants scheme
- Green incubation programme in Lebanon
- Policy recommendations - Green Standard scheme for BSOs and SMEs services
